Lies, Deceit, Adultery, and My Husband's Boyfriend Anne Maree Spencer 2014-02 Lies, Deceit, Adultery and my Husband's Boyfriend is the moving autobiography of Anne Maree Spencer, as she encounters the heartbreaking news that the love of her life has not only been cheating on her and lying for over two years, but his new partner is a man. Her once loving heterosexual partner and the father of her two children has " changed his sexual preference" after 30 years of marriage. Anne Maree's pursuit of getting her life back on track with the support of her children and friends is a touching book about the power and determination of one woman's fight against feeling unloved and worthless to that of re-inventing herself. This autobiography tells it like it is, with no apologies for its descriptive language. You will be inspired by the author's rise in self-esteem and self-worth as she divorces her cheating husband, who left her for "Boo Boo," a man 30-plus years his junior. This book not only opens "a can of worms" of lies, deceit and adultery but puts into perspective what quite a few women are experiencing in their daily lives. Anne Maree opens her soul to give other women the courage and strength to grow beyond these harsh realities to become a better, stronger empowered woman. About the Author Anne Maree Spencer grew up in Melbourne, Australia. "I have been through hell and back in my discovery of my unfaithful husband. I have dragged myself up from the depths of depression. My friends encouraged me to write about it as not only therapy, but also as a way to help other women who find themselves in a similar situation." Cobra Deon Meyer 2014-10-07 A riveting thriller from the acclaimed "King of South African crime" and the author of Blood Safari: "Deon Meyer is one of the unsung masters" (Michael Connelly). Deon Meyer is a world-class writer whose page-turning thrillers probe the social and racial complexities of his native country. In Cobra, a famous English mathematician is kidnapped and his two bodyguards are killed at a guesthouse in the beautiful wine country outside Cape Town. It's clearly a professional hit, and the spent shell cases offer a chilling clue: each is engraved with the head of a spitting cobra. Meanwhile, in the city, a skilled thief is using his talents to put his sister through college. But he picks the wrong pocket, grabbing the wallet of a young American woman delivering something very valuable and dangerous to South Africa. The thief not only becomes the target of the deadly hit man known as the Cobra, but unwittingly holds the key to stopping a deadly international threat. It's up to Captain Benny Griessel and his elite investigation team to find the pickpocket and track down the Cobra as the novel hurtles toward a brilliant, heart-stopping finale on the suburban commuter trains. "Mr. Meyer, the leading thriller writer in his native country, traffics in crime-novel situations familiar the world over: drunken cops, charming robbers, dangerous murderers, sudden violence—and sometimes, issues of race." —The Wall Street Journal

Rodina Arnout Brouwers 2018-02-05 In Rodina reist Arnout Brouwers samen met zijn goede vriend Pasja kriskras door Rusland en treft een land in beweging aan. De liberale democratie verliest wereldwijd terrein en om ons heen zien we de opkomst van autoritair leiderschap waarbinnen het begrip 'democratie' almaar wordt opgerekt. De autoritaire leider speelt op veel schaakborden tegelijk om zijn volk vrij genoeg te laten zijn om te kunnen genieten, maar niet vrij genoeg om in opstand te komen of de machtsverhoudingen te verstoren. In Rusland wedijveren – onder de bovenlaag van stabiliteit – verval met vernieuwing, dranklust met de behoefte aan een normaal leven. Wie echter alleen kommer en kwel verwacht, repressie die van de grauwe gezichten valt af te lezen, heeft het mis. Brouwers ontmoet Russen uit alle lagen van de bevolking en merkt op dat die niet verloren zijn voor een Rusland zonder Poetin. Sterker nog, steeds vaker ziet hij opstanden plaatsvinden tegen de propaganda, controle en dwang van het Russische staatsapparaat. In Rodina laat Arnout Brouwers een tegendraads en hoopvol geluid horen over de toekomst van Rusland: de eeuw is nog jong.
